

Plant Nerd Night

Featuring the Chorus of the Goddess Flora and Six of Oregon's Micro Nurseries

Sunday, September 19, 2008

Cistus Nursery – The home of zonal denial; offering plants from around the world that thrive in a Mediterranean climate. <http://www.cistus.com>

Dancing Oaks Nursery – Unusual trees, shrubs and perennials garnered from all corners of the world. <http://www.dancingoaks.com>

Gossler Farms Nursery – Specializing in maples, dogwoods, hydrangeas, magnolias, rhododendrons, viburnums and witchhazels. <http://www.gosslerfarms.com>

Hedgerows Nursery – highlighting unusual perennials, shrubs and vining plants, often from the UK. hedgerows@onlinemac.com

Joy Creek Nursery – Known for striking flowering perennial introductions and extensive clematis offerings. <http://www.joycreek.com/>

Wind Dancer Garden – featuring ornamental grasses, phormiums (New Zealand flax) and bamboos. <http://winddancergarden.com/>
